

Heart diagram: labeled

Anterior view of the four chambers, valves, great vessels and conduction system

Name _____ Practice _____ Date _____

 Deoxygenated blood (to the lungs)  Oxygenated blood (to the body)  Electrical conduction system

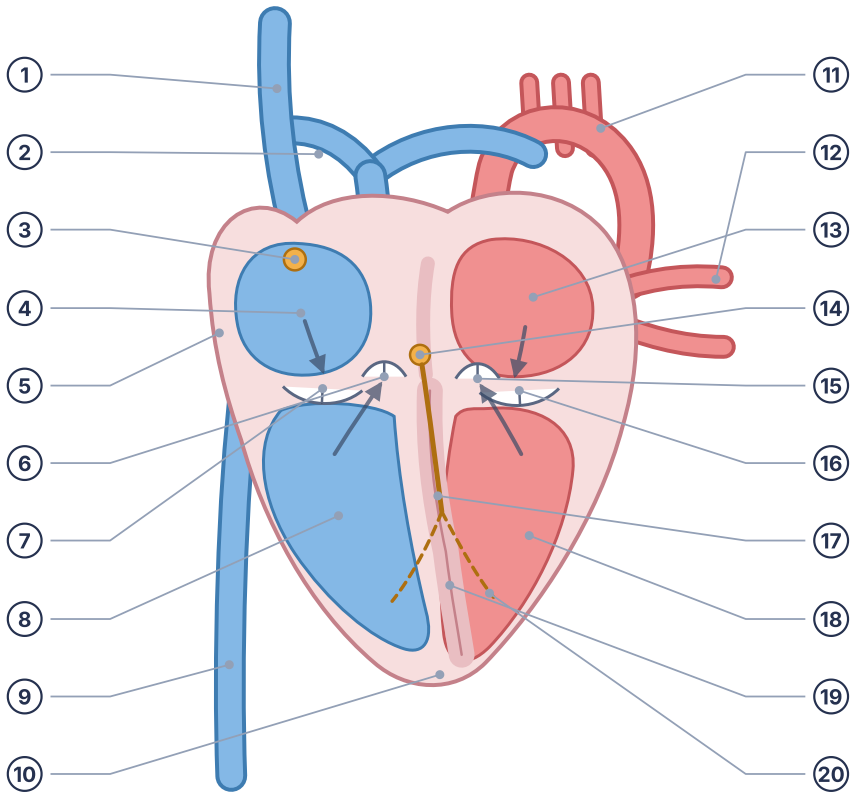

Heart diagram: blank version

Label each numbered structure, then check your answers against page 1

Name _____

Practice _____

Date _____

NAME THE STRUCTURES

1	_____	2	_____
3	_____	4	_____
5	_____	6	_____
7	_____	8	_____
9	_____	10	_____
11	_____	12	_____
13	_____	14	_____
15	_____	16	_____
17	_____	18	_____
19	_____	20	_____

■ Deoxygenated blood (to the lungs) ■ Oxygenated blood (to the body) ■ Electrical conduction system
